

We discontinued the technology-based categories, shortened the field, and widened the scope of the GREENTECH AWARDS to include every possible aspect of GREENTECH.

INNOVATION OF THE YEAR

We are looking for the most (recent, promising, surprising) cutting-edge innovation in the field of GREENTECH. Technologies, processes, products and services are all eligible in this category.

- contribution to a greener future (potential)
- improvement over existing approaches
- disruptive potential of the innovation
- effort of the researchers
- PR quality of the innovation and their team(s)

RISING STAR OF THE YEAR

We are looking for the most aspiring juniors (16 – 25 years old) making an effort for sustainability, to include the younger generations into our movement and offer them a stage.

- contribution to a greener future (both potential and results achieved)
- project of a natural person or a group of people (under the age of 25 by May 2019)
- long-term effect within their society, number of people reached
- international relevance and “viral” potential

Your Project Idea for the GREENTECH AWARDS 2019

The period to propose projects for the GREENTECH AWARDS competition will take place from December 14th 2018 – January 31st 2019. Be one of the first and take the chance to recommend your project for the most prestigious environmental awards in the world.

The selection process is the following: the GREENTECH ACADEMY suggests six nominees per category, an online voting selects one and the GREENTECH AWARDS jury further two finalists, the jury selects in a jury meeting one winner out of three finalists per category.

Please:

- fill out the entire form in English. All fields are mandatory.
- enclose a picture (max. 5MB, landscape mode) with your form.
- note that the form and the image are used for the preselection and can be passed on to third parties (GREENTECH ACADEMY).
- note that your entry is not a final application for the GREENTECH AWARDS. In case of your successful selection by the GREENTECH ACADEMY, we will contact you and request a separate application.

Proposals are only valid if they are complete (including a picture). Recourse to the courts is not permitted. Please send the completed form and the picture to application@greentechfestival.com.

GAME CHANGER OF THE YEAR

We are looking for companies or institutions that made a substantial positive impact on the environment or people’s awareness of the environment, particularly over the last year. We are looking for measurable large-scale impact or, ideally, change within a market.

- resulted (measurable and not measurable) contribution to a greener future
- motivation and effort of the nominee
- sustainability of the impact or the change
- chance of further dissemination or adoption (market change)
- media impact

START-UP OF THE YEAR

We are looking for the most promising Start-up that contributes to environmental protection and resource conservation.

- contribution to a greener future (both potential and results achieved)
- innovation or even disruption, surprise level
- less than five years since foundation by May 2019
- entrepreneurial spirit, team effort
